**“I TELL YOU,
OPEN YOUR
EYES AND
LOOK AT
THE FIELDS!
THEY ARE
RIPE FOR
HARVEST.”**

John 4:35b

From Pastor Ralph...

Wow! I am so excited and thankful for God's presence and move in church this past Sunday! He is moving every week, but Sunday was an especially great service. God is moving in so many ways –please keep praying for more for Harvest, more for our region, and more in you.

BUILDING FOR THE HARVEST DAY is March 17, when all offerings go to our building fund and enable us to focus on other ministries instead of buildings. Even so, our new building is such a blessing and provides space for so much ministry already. Ask the Lord what He wants you to give and I encourage you to give generously!

EASTER is April 21. People are more likely to respond to an invitation to come to church on Easter than any other time of the year! Be sure to invite people and have someone who doesn't come to Harvest with you in one of the three services. Ask God to speak to them and move in their heart.

SPIRITUAL LIFE CONFERENCE with Dr. Chris Bounds is May 5-8. I encourage you to clear the time in your schedule for every service. We're asking God for a mighty encounter that will not only change us, but touch our entire region!

I'm hearing great things from our Freedom Groups, and the Daniel Council believes that amazing life change is happening and much more will take place in the Freedom Conference at the end of this study. I encourage those of you in it to keep giving priority to preparing your lessons and to the group meetings. You have to attend 10 of the 12 meetings to be eligible to attend the Freedom Conference. If you weren't able to get in a group this semester, plan on going through Freedom starting again in August.

Don't forget the time change this weekend. Try to go to sleep earlier so you'll be ready to hear what God wants to say this Sunday.

He is an amazing God doing wonderful things among us! Don't miss any of it!

BALANCING FUN & DISCIPLINE

Every child is wired for fun. But as parents, we know that we also have to be consistent with order so that we can one day stare into the eyes of our kind, responsible, loving, adult child. Remember this: There will be seasons when more order and discipline are needed to really equip your future adult. Then there will be those incredible moments where we get to just simply enjoy our kids and laugh until we snort. No matter what season you're in, know this: Your kind, responsible and loving future adult needs you.

SERVE IN NOAH'S PARK

Would you consider being part of a team that is planting world changing seeds in our young ones? We invite you to partner with us in Noah's Park! Ask a Harvest Kids team member how to get involved.
